WHAT WE BELIEVE

We believe that Jesus Christ is the Son of God; that he lived, died and rose from the dead to provide, for all, who will accept it, eternal life.

We accept into our membership those who believe in Jesus and have been baptized into Him by immersion.

We believe the Bible is the error-free Word of God. Through regular study, the Bible gives guidance in all areas of life.

We believe that the way we live our lives is an expression of God's love to others. Members are encouraged to be involved in their neighborhood, in the community, and in a church ministry.

Town and Country Christian Church is non-denominational. We follow the example provided by the New Testament in our doctrine, worship, and organizational structure.

OUR MISSION STATEMENT

Town and Country Christian Church exists to glorify God.

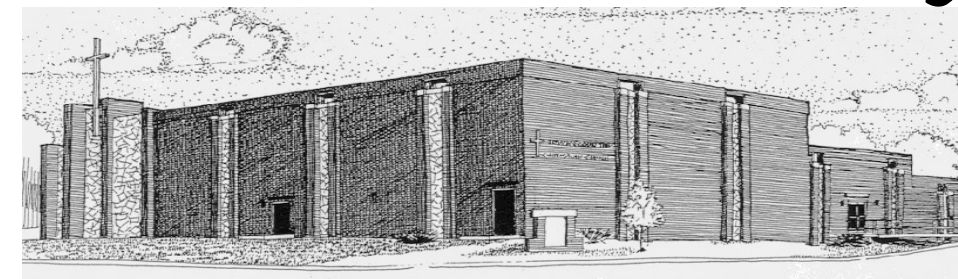

We accomplish this in three ways:

***Spreading the Word of God**— We spread the Good News about Jesus to the city of Topeka and beyond.

***Building the Body**— We equip believers to function together as the Body of Christ.

***Maturing the Believer**— We assist believers to grow in their own relationships to Christ.

Closing Congregational Song

We are glad you are worshiping with us today.

We hope you will find the following information helpful.

If you don't know the person beside you, they probably don't know you either. We will all be given the opportunity to greet one another during the worship time. Say "Hello" and get to know the people with whom you are worshiping

Communion or The Lord's Supper

We have an open communion. Everyone is invited to participate. The Scriptures teach us this time is for all who believe that Jesus Christ is God's Son, and have accepted Him as their Lord and Savior. It is not just for members of Town & Country. As you partake, keep in mind we are participating as the body of Christ. This is both time for introspection and meditation as well as a time to concern yourself with your Christian brothers and sisters who are participating in this time with you. When you receive the bread and juice, you may hold them, and partake together as a Scripture is read, or you may partake whenever you would like.

Offering

This is a time when we express thanks to God in a small way for all the things He has given us. We usually have the offering after the communion. The communion reminds us of the greatest gift God has given through His Son, and the offering is our way of giving a little back to Him. You are not required to give. How much and how frequently

you donate is up to you. We ask only that you prayerfully consider what you want to place into the offering plate.
